

To Increase Water Rates 30% Nov. 1

Nikita Ready To Meet JFK On Problems

Denounces US Decision To Resume 'A' Testing

MOSCOW (AP) — Soviet Premier Khrushchev said today he was ready for "businesslike talks" with President Kennedy on urgent world problems.

At a friendship meeting for Indian Prime Minister Nehru he went on to denounce President Kennedy's decision to resume nuclear testing, and declared "mankind is on the brink of another military tragedy."

Corridors Warming To Russia

West's Big Three Notes Delivered In Moscow Today

WASHINGTON (AP) — The United States, Britain and France gave the Soviet Union a new warning "in the most solemn terms" against any interference with Allied flights in the air corridors between West Germany and West Berlin.

The Western powers told the Kremlin any change in the air transport situation "will be the result of aggressive action against established rights by the Soviet government and the East German regime."

The Allied notes were delivered in Moscow this morning. They rejected the Soviet contention that the United States, Britain and France do not have unrestricted right of air transport in and out of West Berlin.

The notes, about 1,500 words long, were described as identical. "Rights with respect to air access to Berlin," the Soviet Union was told, "derive from precisely the same source as do the rights of the U.S.S.R. in East Germany and East Berlin; namely, the joint military defeat of the German Reich and the joint assumption of supreme authority over Germany."

"These rights are confirmed by the circumstances under which the four powers entered Germany, by their subsequent discussions and agreements, and by open and established practice over a period of 15 years."

Wagner Wins City Primary

NEW YORK (AP)—A smashing victory by Mayor Robert F. Wagner on an "anti-bossism" platform today wrecked the city's old line Democratic organization, led by Tammany Hall Chief Carmine G. DeSapio.

Wagner, backed by insurgents, defeated the organization candidate, State Comptroller Arthur Levitt, in a record outpouring of voters for a Democratic primary.

The final vote was 451,458 to 291,672. The total vote of 743,130 bettered the previous Democratic primary mark of 718,000 set in 1937.

Wagner will face State Atty. Gen. Louis J. Lefkowitz, unopposed for the Republican nomination, in the Nov. 7 general election.

Other insurgents won sufficient district leadership fights to have a good chance of control of Tammany, the Manhattan Democratic organization.

To top it off, DeSapio lost his own district leadership in Greenwich Village to James S. Lanigan, a Harvard-educated lawyer.

That in itself sent DeSapio into political eclipse because the New York County, or Tammany, leader is chosen only from among district leaders.

Wagner said in a victory statement shortly after midnight that the outcome was a triumph for "Democrats who want decency to rule their party."

Works Board Explains Reasons for Rate Hike

The Board of Public Works, in order for the citizens of Sedalia to fully understand the position of the board, and all citizens of the city, who actually own the Water Department, Thursday night issued a detailed explanation for the proposed water rate increase.

The statement, signed by all members of the board—Paul Hedderich, C. L. Kelley, Melvin Jones and Dorsey Walters, reads:

"First, the Board of Public Works was informed on Aug. 15, 1961, by Dr. Warren A. Kramer that prior to the purchase of the Waterworks by the city, the Division of Health was prepared to withdraw approval of the water supply, based on the inadequacies of the water treatment facilities. This was not known by the Board prior to the meeting with Dr. Kramer.

"The Division of Health has ordered the Water Department to begin immediate replacement of the water treatment facilities or face withdrawal of state approval of the water supply.

"The treatment plant was completed in 1915 and is today worn out and completely inadequate to meet the needs of our city. It is operating at a capacity above that for which it was designed.

"Second, we have been advised by competent engineers that more than 21 miles of galvanized pipe must be replaced because of its poor condition.

"Third, much of the existing

Chigger Bites

If you think these cool nights have had an effect on chiggers, don't go walking in the tall grass.

Partly cloudy with little temperature change tonight; widely scattered thundershowers until late tonight; generally fair and little temperature change Saturday with a few isolated thundershowers. Low tonight 70; high Saturday 90.

The temperature Friday was 69 at 7 a.m. and 87 at 1 p.m. Low Thursday night was 67.

The temperature one year ago today was, high 95; low 72; two years ago, high 93; low 70; three years ago, high 90; low 57.

Lake of Ozark stage: 54.9 feet; 5.1 below full reservoir; No change.

Evacuating Homes In Louisiana

Hurricane Carla Near Coast With 125 MPH Winds

NEW ORLEANS (AP) — Residents of low-lying areas along the Louisiana coast began evacuating their homes today as hurricane Carla — its winds increased to 125 miles an hour — howled up the Gulf of Mexico.

Hurricane Carla veered toward the western coast of Louisiana today and the Weather Bureau discontinued its hurricane alert east of New Orleans.

Carla's course veered during the early morning, and it is now headed in a northwesterly direction. At 10 a.m. the center of the hurricane was about 460 statute miles south of New Orleans.

The Weather Bureau said Carla would continue its northwest movement at about 10 m.p.h. for the next 12-18 hours.

The hurricane watch was extended to include the entire Texas coast and now is in effect from Brownsville, Tex. to Apalachicola, Fla.

Police at Morgan City, La., 50 miles southwest of New Orleans, ordered evacuation of all areas outside the city, which is completely sealed by levees.

No immediate evacuation plans were issued for Cameron Parish, where over 500 persons died in 1957's hurricane Audrey. Cameron's low lands lie next to the Texas border.

Residents of Grand Isle, La., some 40 miles south of New Orleans on the Gulf, began making preparations to evacuate. The low-lying island is flooded during abnormally high tide.

"The high tide early today flooded parts of the highway," said Grand Isle Town Marshal Frank Bradberry in a telephone interview. "I expect we will get an evacuation order later today."

In New Orleans, brisk winds kicked up whitecaps on Lake Pontchartrain, and police began sealing off low roads surrounding the lake.

Red Cross centers throughout the upper Gulf Coast began planning for possible disasters.

Paar Show In Berlin Shocks Some

WASHINGTON (AP)—Senators today voiced shock, dismay and condemnation over the use of U.S. soldiers and arms in Berlin as a backdrop Thursday for the Jack Paar television show.

A much larger force than usual showed up at the border crossing point between East and West Berlin as the Paar show was taped for showing next week.

Sen. Mike Mansfield, D-Mont., the majority leader, led a round of denunciations, asserting that what is happening in war-threatened Berlin is a world tragedy and "not a TV spectacular."

Sen. Hubert H. Humphrey, D-Minn., assistant majority leader, declared that this sort of thing "is intolerable and should not be done."

He said Soviet Premier Khrushchev can use "this kind of incident" for propaganda around the world "and beat us over the head with it."

"I was thoroughly shocked when I read of this incident in the morning papers," said Sen. Bourke B. Hickenlooper, R-Iowa.

The senators spoke after Arthur Sylvester, assistant secretary of defense, ordered an investigation into the border incident. The Washington Evening Star reported the investigation was ordered with approval of the White House.

FLOATS ON PARADE AT COLE CAMP—These two floats were among the 11 entries that paraded Thursday night at the Cole Camp Fair and will be seen again tonight and Saturday night at 7:45. More than 6,000 persons viewed last night's parade. (Democrat-Capital Photos)

Cole Camp Fair Attendance High

By W. D. HILL

An estimated crowd of more than 6,000 persons viewed the parade and exhibitions at the Cole Camp Fair Thursday night and tonight's attendance is expected to nearly double that figure.

The Buffalo Gals drum and bugle corps of Buffalo, Mo., is expected to be the big drawing card Saturday night, and officials indicate that the biggest crowd for the three-day event will be on hand that night.

Thursday night's parade featured an array of farm machinery believed to have exceeded the number of units on display at the Missouri State Fair here last month. Eleven floats were entered in the first night's parade. The units paraded again at 10:30 this morning and will parade tonight and Saturday night at 7:45. The grand champion float will be announced Saturday following the evening parade.

Again this year the Cole Camp float builders have produced some of the most elaborate floats to be seen anywhere in the world. With themes from Daniel Boone days right up to the first astronaut launching are featured and have been effectively carried out in both design and making.

Cole Campers probably take their float building more serious than most communities. Most of the floats contained more than 35,000 hand-made flowers and one had more than 50,000. When work gets underway on the projects, usually in June or July, the girls are rumored to be found making flowers while on a date, watching TV or at a movie.

Just prior to the parade Thursday night folding chairs were set up along the business section streets of the town and the audience heard a band concert while the midway attractions went on and fair spectators took in the exhibits and played games along the midway.

Winners in Thursday's judging in the Hobby Division were:

Senior Division: first, leatherwork, Mrs. A. T. Tucker; second, driftwood, Mrs. Alfred Buford; third, arrowheads, John Sanders; fourth, plates, Mrs. Zelma Tucker.

Return Open Verdict In Gunshot Death Of Versailles Woman

COLUMBIA, Mo. (AP) — It took a Boone County jury only six minutes to return an open verdict today in an inquest into the death here last Saturday of Mrs. E. H. Johnson, 36, of Versailles.

Mrs. Johnson died of a gunshot wound in the head half an hour after she was brought here from her home. The jury said she had been shot by her husband, 61, a Lake of the Ozarks real estate dealer.

Johnson, who was charged with first degree murder, is free on \$10,000 bond, and did not testify at the inquest.

er: fifth, miniatures and antique items, Elizabeth Gardner; sixth, wool and antique items, Mrs. Alvina Hagedorn; seventh, tally cards, Mrs. W. J. Boehne; largest collection, Elizabeth Gardner.

Junior Division: first, arrowheads, Richard Powell; second, cars, Joe Brockman and William Smart; third, cars, David Freund and Thelma Kulman; fourth, stamps, James Schnakenberg; fifth, rock collection, Ronnie Barnes; sixth, shell collection, James Schnakenberg.

PROGRAM

Friday, Sept. 8
7:00 p.m.—Band Concert.
7:15 p.m.—Parade of Farm Machinery and other non-floats.
7:45 p.m.—Grand Parade of All Floats, (General and School).
Awarding of Prizes.
Band Concert.
Holiday Amusement Company on Midway.
Saturday, Sept. 9
9:30 a.m.—Band Concert.
10:30 a.m.—Amateur Contest for Schools.
1:30 p.m.—Exhibition and Judging of Beef Cattle, followed by Exhibition and Judging of FFA Beef Cattle.
4:00 p.m.—Special Program.
7:00 p.m.—Parade of Farm Machinery and other non-floats.
7:45 p.m.—Grand Parade of All Floats, (General and School).
Awarding of Grand Prize.
Band Concert.
Holiday Amusement Company on Midway.

Refutes Earlier State ment

Says County Can Support Junior College In Sedalia

A study by an area educator indicating Pettis County is among 20 central Missouri counties lacking in recommended minimum requirements for the establishment of a junior college has been refuted by Sedalia Chamber of Commerce officials.

In a study prepared as a partial requirement for his educational specialist degree from Central Missouri State College, Warrensburg, Vergil E. Oglevie, Green Ridge superintendent of schools, reported Jackson County to be the only county in the area serviced by CMSC meeting minimum requirements for a junior college.

Criteria which might be used in establishing junior colleges in the district, according to Oglevie's study, include a minimum junior college enrollment of 400 in a community having a high school enrollment of 1,200 students. The criteria indicate a need for a minimum assessed valuation of \$25 million. The maximum commuting time should be one hour. The study cited shifting population in the 21-county area as a reason only one county offers the necessary requirements.

Sam Boyle, president of the Sedalia Chamber of Commerce in similar criteria obtained from school officials here and the State Department of Education concluded that Pettis County meets each need.

Although it was pointed out no minimum requirements have been

Hike Jumps Rates 49.5% In a Year

By RALPH H. JONES

The Sedalia Board of Public Works at its regular meeting last night announced an approximately 30 per cent increase in water costs for Sedalia Water Department customers will be in effect on all meter readings on and after Nov. 1, 1961.

The decision to place the over-all increase was made at a special meeting of the board Wednesday night. The over-all hike will include an increase from \$1.15 to \$1.75 for water service, and an approximately 20 per cent increase in water rates. The increase will be over and above the annual expected income from the water rates now in force.

Shortly after announcing the decision the board introduced two members of the Black & Veatch engineering firm from Kansas City. The engineers were asked to make a rate study, probably to distribute the water rates more equitably between industrial and residential customers.

The board pointed out to the engineers that the rate schedule must be completed and furnished in a few days, in order for the Water Department to announce the new rates and make out new rate cards for its customers.

In figuring the new income, water department officials expect an over-all income of 49.5 per cent more than that being received under the water rates as of Nov. 1, 1960. In the Black & Veatch rate study submitted last year the engineering firm recommended an over-all increase of 35 per cent.

The City Council, under the restrictive ordinance placed in effect early this year, authorized a flat 15 per cent increase. Added to the 30 per cent asked now, this 15 per cent increase adds up to a total hike of 45 per cent, and the department expects the service rate to add 4.5 per cent for a total hike of 49.5 per cent as compared to the rate in effect last November, 1960.

The board action was made possible by City Council action in repealing a restrictive ordinance concerning water rates and the purchase of real estate at its regular meeting Tuesday night.

Board Secretary Carlton Kelley, in reading the minutes of previous regular and special meetings of the board, gave the background for the rate increase.

At the regular meeting Aug. 3, it was brought out that a representative from the Missouri Division of Health would meet with members of the board Aug. 15, to discuss means of improving the water service to the extent it could retain its state-approved standing.

On Aug. 14 at a special meet-

Delegation Discusses Problem

11 Water Users Served By One Meter, At Meeting

A delegation of water users from the area of 32nd and Kentucky, who reside just outside of the Sedalia city limits, attended the meeting of the Board of Public Works Thursday night to discuss an equitable means of providing water to 11 out-of-the-city water users in that area.

James E. Durley attended the meeting as attorney for the water customers. Lloyd and Lovell Farris, who were instrumental in developing the area in question, and other residents attended.

Henry Salveter, who has not been retained as attorney for the re-constituted Board of Public Works, attended the meeting in an advisory capacity for the board, on request of board president Paul Hedderich.

The situation, in which 11 homes are served from one water meter, was made public at the regular meeting of the board Aug. 3. At that time the board stated the situation was unfair to other water customers, and that something must be done to make corrections. The board authorized the Water Department office manager to ask those concerned to attend the meeting Thursday night and discuss the matter.

Lovell and Lloyd Farris explained that the meter had been installed several years ago, when the Water Department was the

(Please turn to page 5 column 7)

Preliminary Hearing Held In Burglary

Three young Negroes charged with second degree burglary in connection with a break-in at the Montgomery Ward store here Aug. 24 were arraigned in Magistrate Court Friday morning before Judge Frank Armstrong.

Robert Leon Nix, 24, asked for a preliminary hearing and after testimony of several witnesses Judge Armstrong ruled a crime had been committed and the defendant might be guilty. The case was bound over to the November term of Pettis County Circuit Court and bond set at \$7,500.

Talbott Wesson, 21, waived preliminary hearing and the case was bound over to the November term of Circuit Court. Bond for Wesson was set at \$7,500.

Joe Shackelford, known around Sedalia as Joe Sweet, was called for arraignment and Prosecuting Attorney J. R. Fritz informed the court a Kansas City attorney, Gene Martin, had telephoned earlier Friday morning and asked the Pettis County prosecutor to seek a continuance on behalf of Shackelford.

Judge Armstrong set the hearing date for Shackelford for Tuesday, Sept. 19, at 10 a.m. Shackelford's bond was also set at \$7,500.

The sheriff's department reported shortly after noon the trio is still lodged in the county jail in lieu of their bonds.

A fourth man connected with the Wards burglary is on parole resulting from a Kansas burglary charge and is reportedly wanted by Kansas City authorities on two similar charges, so it is expected to be some time before Pettis County obtains custody.

Operation Rescue

RESCUED FROM NINTH FLOOR—A woman clings to a makeshift rope and balances precariously on the ninth floor window of a Kansas City apartment house as fireman John Tosatto climbs a fire truck ladder to rescue her. Police said the woman, Mrs. Jacqueline Jones, 19, locked herself in the bedroom of her apartment after a quarrel with her husband and made the rope. Jones forced his way into the room later and found her supported by the sill and rope a floor below. She was charged with creating a public disturbance. (AP Wirephotos)

Federated Activities For a Week

The sermon topic at the Federated Church Sunday will be, "What Are We Standing For?" Mrs. Frank Yeager will sing a vocal solo. Miss Mabel DeWitt at the organ will play as prelude, "Meditation," as the offertory, "Andante Cantabile," and as the postlude, "Allegro in G."

The "Program Planning Retreat" will be held Sunday afternoon at 2 p.m. All program committees and officers of all the organizations of the church are to be present. Pilgrim Fellowship will meet in the chapel; Sunday School officers and teachers in the Sunday School room; the women's organizations in church parlor; Men's Fellowship in the pastor's study; Mr. and Mrs. Club in the kitchen, and all other organizations in the sanctuary.

The purpose of this planning retreat is to schedule the activities for the coming year. Pilgrim Fellowship will hold its first meeting of the year Sunday at 6 p.m.

Boy Scout Troop 51 will meet Monday at 7 p.m.

The board of trustees will meet Tuesday at 7:30 p.m.

Choir rehearsal will be held at 7:30 p.m. Wednesday.

The Guild will meet Thursday, beginning with a chapel service at 12:30 p.m. All Guild ladies are to take good used clothing, summer or winter, for ladies, men and children, also good shoes, especially large sizes for ladies, and toys, games, pencils and tablets for children's Christmas, scarfs, handkerchiefs, and bed-room slippers for older ladies, ties and handkerchiefs for older men. All clothing and gifts are to be taken to the Sept. 14 meeting of the Guild.

To Talk On Great Texts

Another in the monthly series of "Great Texts of the Bible" will be the basis of the sermon at Immanuel United Church of Christ (Evangelical and Reformed) Sunday. Pastor Armin F. Klemme will speak on "Joshua 24:15."

The parents of youth from the seventh grade through high school will hold their annual get-together Sunday, 11:30 a.m. to 2 p.m. Each family is to take a covered dish or two and their own table service. Both the Junior High and Senior High Youth Fellowships will share plans of programs and activities for the coming year.

Freddie Lange will speak to both groups and their parents on his year's experience in Germany and illustrate it with slides. There will also be recreation and worship. Then at 2 p.m. Pastor Klemme will talk to the parents and confirmands of this year's class. Pastor Klemme will attend a conference for Christian Education Associates to learn about the new United Church of Christ curriculum at Camp Santogase near Independence this week.

Monday, 7:30 p.m., Explorer Post 56 resumes its meetings.

Tuesday those concerned will type and mimeograph the Immanuel News, 7 p.m., and Wednesday at 7 p.m. they will assemble the Immanuel News.

The Varied Interest Club will meet at the home of Mr. and Mrs. Hersel Bremer, 1612 South Carr, Thursday, 6:30 p.m. Mr. and Mrs. Rival Rhoads will assist. Members are to take a covered dish of food and own table service.

Methodist Missionary At Wesley Sunday

The Rev. Ward Williams, Methodist missionary to Algeria, will speak at the morning worship service at Wesley Methodist Sunday. Rev. Williams is on a four-month furlough from his work as director of the Methodist Boys' Home in Constantine, one of the larger cities in Algeria.

He will return to North Africa the latter part of September. Rev. Williams will have a first hand report of the mission work in Algeria, where the missionary couple, supported by the Wesley Church, the Rev. and Mrs. David Butler, have been recently assigned.

Sunday afternoon the Wesley Methodist Youth Fellowship will be host to the Sedalia District MYF rally to begin at 3 p.m. with dinner served at 6:30, and the evening program concluding at 9 p.m.

Episcopal Services Enter Fall Schedule

Services according to the fall schedule will start Sunday at the Calvary Episcopal Church. The Holy Eucharist will be celebrated at 8 a.m. This will be a Corporate Communion for all men and boys of the parish, followed by breakfast.

The Church School will open at 10 a.m. with classes for boys and girls up through the ninth grade. There will be no adult class Sunday. The service of morning prayer and sermon will be conducted at 11 a.m.

First Baptist Plans a New Talk Series

The pastor, Rev. J. R. Wallace, will begin a series of sermons from the book of Galatians Sunday morning at the 10:45 worship service at First Baptist. His sermon subject at this hour will be, "The Unchangeable Gospel." The choir will present an anthem, "Cherubim Song."

Training Union will be at 6:30 Sunday evening, followed at 7:45 with the evening worship service.

The pastor's message will be, "The Way." A mixed quartette composed of Mrs. Fred Biggs, Mrs. Rose Marie Cooper, Charles Morrison and Dr. Ben Klein, will sing "In the Hour of Trial."

Sunday is State Missions Day in Baptist Churches throughout the state of Missouri. Special offerings will be used to supplement what is already being done through the co-operative program for missions in Missouri.

The executive board meeting will be held at Calvary Baptist Church at 7 Monday evening and will be followed at 8 by a Training Union rally.

The Married Young Women's class will meet at the home of Mrs. Wanda Rou Monday night at 7:30.

The W.M.U. Association of Night Circles will meet at 7:30 Tuesday evening. Also on Tuesday evening at 7:30 the Reapers class will meet at the home of Mrs. Irvin Roberson, 235 South Park.

Wednesday evening, family night will begin at 6:45 with the Sunbeam, Auxiliary, and Y.W.A. meetings. The Sunday School teachers and superintendents will meet at 7 and will be followed at 7:45 with mid-week prayer service.

Thursday afternoon the W.M.U. Day Circles will meet. Thursday evening, the Adult Choir will rehearse.

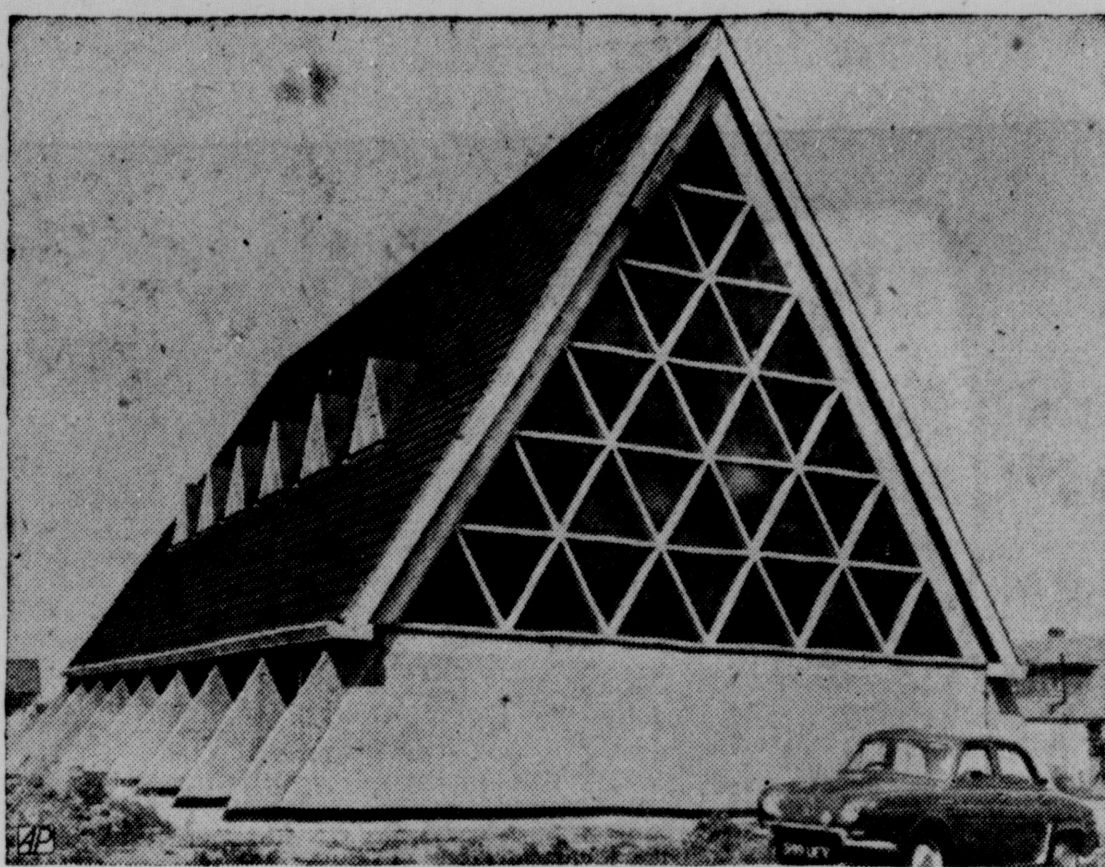

Enrollment day for the Junior Choir will be Saturday, Sept. 16, at 9 a.m. All Juniors, ages nine through 12 may enroll as members of the Junior Choir. Refreshments will be served from 9 to 10 a.m. on enrollment day.

Trinity Church Schedule Due For a Change

Early services at Trinity Lutheran Church will continue one more Sunday and then, beginning Sept. 17, according to action taken by the church council, Sunday School will be at 9 a.m. and the church service at 10:10 a.m. This is planned to be a year round time schedule for services at the church.

The theme of the pastor's sermon at the service Sunday is, "Tribulation and the Kingdom." Acolytes for the service will be Jimmy Carter and Douglas Brown.

The Luther League will meet Sunday afternoon at the church at two o'clock for roller skating. The league will meet at the church later for devotional service by Nancy Witt and topic by Linda Hancock and also to practice for a service being planned for Youth Sunday this month. Mr. and Mrs. Harold Woodall are co-sponsors with the regular sponsors Mr. and Mrs. Ernest Woolery.

ANGLED ARCHITECTURE—The triangular church of St. Nicholas looks like a roof without walls as it nears completion on Canvey Island in Essex, England. The main supports are of pre-cast concrete. Huge latticed windows form ends of the church.

Laymen Will Attend Meet

A group of seven laymen, along with the pastor of the East Sedalia Baptist Church, will attend the second national conference of Southern Baptist men, to be held next week in Memphis, Tenn. The group will leave Wednesday morning and will return Saturday morning.

Sunday morning the pastor will use for his theme, "Wait a Little Longer." The adult choir will bring the special music, which will be an anthem entitled, "Grant Us Thy Peace." The pastor will speak on the subject, "Living with a Purpose." For the evening service, the Chapel Choir will be in charge of the special music for the evening service.

Sunday morning, at 10:30 the Sunbeams will meet for their regular meeting. There will be an Associational Sunday School plan meeting and music council meeting at the East Church at 2:30 p.m. The Chapel Choir will meet for rehearsal at 5:30 p.m. The Youth Fellowship will be held at 8:30 p.m. The Intermediates will meet in the home of Mr. and Mrs. Bruce Ulmer, 1028 South Merriam. The young people will meet in the home of Mrs. Laverne Moberg, 1101 East Tenth.

Also, Sunday, members of the East Sedalia Baptist Church will observe State Missions Day. This is one of three special offerings taken during the year and is used for the promotion of missions in Missouri.

Monday will be the associational Training Union rally and mass meeting, the time will be 8 o'clock p.m. and will meet with the Calvary Baptist Church.

Tuesday, members of the WMU will meet in the different homes. The sign language class, under the direction of Rev. Roy Cissna, will meet at their scheduled time 7-9 p.m.

Wednesday, the junior RA's will meet at the church at 6:30 p.m. Mid-week prayer services will be held at 7:30 p.m. with the Adult Choir holding rehearsal at 8:30 p.m.

Thursday, members of the Primary and Junior Choir will meet at the church at 4 p.m. for their first rehearsal this fall.

Saturday afternoon at 1:30 the junior GA girls will meet at the church for their regular meeting.

Belief in God

In the well known Christian Century recently, an article appeared under the rather startling title, "Is Modern Theology Atheistic?" The answer by a distinguished philosopher, Dr. A. Campbell Garnett, was not very conclusive except as it seemed to establish that the God of modern theology was not a being to inspire worship, much less to quicken an attitude of love. The contrast was obvious with the simple Biblical declarations that "love is of God."

But the chief contrast is between man-made theology, and the simplicity with which Jesus taught men to believe in God. It was through what was good in their own fatherhood that He taught them to believe in the Fatherhood of God.

The famous passage is in Matthew 7:9-11, with the reference to the "bread" and the "stone," the "fish" and the "serpent," with the conclusion: "If ye then, being evil, know

how to give good gifts unto your children, how much more shall your Father which is in heaven give good things to them that ask Him?"

The belief in a good God has its surest foundation in the goodness of man.

The theologians and philosophers may be right in facing all the problems and the questions. But there is a "simplicity in Christ" that the Apostle Paul warned the early Christians not to lose.

Belief in God is easier in the knowledge of Jesus, and it is easier, too, in contemplating the Christ-like characters of those who have found their inspiration in that belief.

For most, if not all of us, conceptions may have changed. We do not think of a great potentate sitting on a throne, but in a radio age we can understand that God is a spirit, and that "God is everywhere." But minds and hearts must be attuned to His presence.

Washington Merry-Go-Round

30-Day Cooling Off Period Suggested

(Editor's Note: Drew Pearson's column today takes the form of a cable to Nikita Khrushchev regarding nuclear testing.)

By DREW PEARSON

Washington

September 6, 1961

Dear Mr. Khrushchev:

Following our talks on the Black Sea, I reported the details of our conversation to President Kennedy.

At about twenty minutes before I saw him, he had received word that you were resuming the testing of nuclear weapons. Naturally he was upset. He was upset not only because of the increased obstacle this placed in the path of American-Soviet understanding, but because of the health hazard to his own two children and to the children of the world.

When I gave him your message, therefore, that "if the United States and the Soviet Union stand together no other country in the world can ever make war," his reaction was dimmed by the very real worry, as he expressed it, that history might record "Khrushchev and Kennedy as having brought the world to nuclear war."

After leaving President Kennedy I picked up my second eldest grandson, aged eleven. I was one hour late in meeting him. I could not explain why I was late, however, because I did not want him to know what he might face and all the other little boys and girls in the world will face if nuclear testing is continued.

Khrushchev's Grandsons

When I visited you at your Black Sea home I had the pleasure of meeting two of your grandsons, Nikita I and Nikita II. They were just like my grandsons, lively, cheerful, completely innocent of what the world may have in store for them. Especially they were innocent of the fact that the world of the future, if nuclear tests continue, will be charged with strontium 90 which warps the bones and brings cancer to young children.

You have, I think you told me, eleven grandchildren and one great-grandchild. You do not, I am sure, want them to grow up in a world charged with that kind of poison.

When the U-2 flew over Russia in May 1960, you protested that it was illegal. And you were right. But the U-2 was only an observation plane. It was not spreading poison. How much more illegal it is to poison the atmosphere of neighboring countries—of Japan, Norway, Sweden, much of Asia and Europe—countries which cannot erect barriers against the winds which carry radioactive fall-out.

If it is true, as reported, that the Red army induced you to resume nuclear testing, then I recall various cases when you have overruled the Red army. Or if it is true, as reported, that the resumption of nuclear testing is for the purpose of pressuring Kennedy on Berlin, then please remember our conversation regarding some of the political forces in the United States.

I explained to you some of President Kennedy's political problems—the opposition of the extreme right, the growth of the John Birch Society, and the fact that the more you in the Soviet pressure him, the more difficult it becomes for him to settle the Berlin question. Because it then looks as if he was surrendering under fire.

Don't Undermine Moderates

Some Soviet writers have expressed concern that a right wing or Fascist leader might take over our government and then make war on the Soviet Union. I don't believe that will happen. But if it does happen, it will be because you have pushed the moderate forces of government too far, forces which sincerely want peace. If you undermine moderates such as Kennedy, if you weaken his position, then the danger of war becomes grave indeed.

This is what I tried to explain during our talks. I told you that Kennedy was a man with a "dobro czertzi" (good heart), a man who suffered greatly during the last war, who

has a deep understanding of human problems, and who doesn't want another war.

You will find this is true if you cooperate with him, rather than go to extremes in pressuring him. I think I know the American people. And I can tell you that the great majority would not want to go to war over Berlin, but they would go to war to defend their president if they felt he was being kicked around.

I was impressed with the story you told me about the father who forgot his son had grown up, and who still tried to take him by the ear and boss him around. I agree with you that no nation wants to be bossed around.

And I suspect that you and President Kennedy are much nearer to agreement regarding Berlin than you realize if the air was not filled with notes and counter-notes, demands and counter-demands.

30-Day Cool-Off

To that end I would like to suggest that you agree to a thirty-day cooling-off period during which neither side makes any more statements, neither side makes any military moves, and during which you reconsider the question of nuclear testing. During that period, I also suggest that both countries emphasize the constructive cooperation they have enjoyed in the past.

You told me that you would be willing to have shown on Soviet TV the film of American sailors sunk by Nazi subs as they brought supplies to Murmansk, and of the Jeeps and artillery and planes brought through Iran to aid the Soviet Union in World War II. Why not show this during the thirty-day period? And simultaneously let the United States show the films of Russia's heroic struggle at Stalingrad, Leningrad and Kursk.

Those were days in which our two countries fought side by side against a common enemy. It was the American army and the Red army which took Berlin. During this thirty-day period, therefore, let the foreign ministers of the two countries responsible for taking Berlin—the USA and the USSR—meet together quietly at some neutral spot and get the problem of Berlin settled. What they decide, the other powers must necessarily agree to.

This is just the suggestion of a private American citizen who recently spent some time with you and who was convinced that despite your apparent misunderstanding of the American president and American psychology, you meant it when you told me, over and over again, that you do not want war.

Sincerely yours,
Drew Pearson

Platform for Peace

Lawyers from 19 Asian nations will attend an Asian Conference of World Peace Through Law in Tokyo, September 17-20. It is the second of four scheduled continental conferences, sponsored by the Ford Foundation.

The working blueprint for the conference has been distilled from the views of 10,000 lawyers around the globe. "The great strength of this movement lies in its 'grass-roots' nature," says Charles S. Rhyne, past president of the American Bar Assn. and chairman of the association's committee on world law. "We are mobilizing a world-wide army of practicing lawyers."

In the view of many, and their number grows, some system of world law offers the only hope for ever establishing a just and permanent peace. The old ways simply will not work any more.

It is to be hoped that conference such as this will stir a world-sweeping moral tide. As former President Eisenhower said, if the world's leaders do not find a way to peace, the people will do it for them.

But they must first vanquish the ancient enemies of indifference, apathy and inflexibility.

The Working Class

Those who like to think the world is a little topsy-turvy can take fresh comfort from this quotation:

"We no longer have what we used to call the idle rich in this country. It is the industrial managerial class that is working hardest. The leisure class of America is quite literally the working class, with its 40-hour weeks and paid vacations, whereas the manager carries home a full brief case week after week."

No doubt labor leaders and some others would be happy to debate this particular proposition. They could not contend, however, that it is the product of some crackpot.

It was one of the observations agreed on by about 100 U. S. and foreign scholars, authors, diplomats, judges, businessmen and others, billed as a "small group of the finest minds in the world." They met in a quiet upstate New York town.

War Head

The World Today

Khrushchev's Farce For Germany

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—The ominous jockeying over Berlin has its roots in one of the strangest combinations of upside-down contradictions in modern history.

The United States persists in treating as a myth a fact it has long accepted as a reality: that the East German Communists are the sovereign government of East Germany.

Chancellor Adenauer's West German government persists in wanting East and West Germany unified while knowing Premier Khrushchev won't permit it and many of his allies' people don't want it because they fear a new, single Germany.

Khrushchev persists in picturing the East German Red regime as what the East Germans want while fearing to test it in free elections and knowing it could not last a day without the help of Soviet tanks which set it up in the first place.

It's out of this mish-mash that some kind of settlement must come if war is to be avoided. What Khrushchev is really after, when you brush aside the speeches and maneuvering, seems to come down to this:

He wants the West to recognize—admit openly—that communism not only dominates Central Europe up to the West German frontier, as it does, but in effect not to challenge it further by arguing about it.

He wants Berlin cut off from the West. On this he can take his time, over months, snatching bit by bit. This Western outpost, 110 miles inside Red Germany, is truly a bone in his throat, as he says.

He wants, judging from his harsh and ruthless tactics now, not only to force the Allies to recognize East Germany but to bring them to their knees with their confidence in themselves and one another shattered.

This could pay fantastic dividends for him by breaking up the Western alliance eventually. What he says he wants—in demanding recognition for East Germany—is security in Central Europe.

He'd get that and more if he forced the Allies into recognition.

Looking Backward...

FORTY YEARS AGO

The number of pupils enrolled in the public schools of Sedalia, according to figures compiled by Superintendent C. A. Greene is 3,841, practically the same as last year. They are as follows: High School, 641; Arlington, 125; Broadway 726; Eugene Field, 71; Horace Mann 341; Jefferson 310; Prospect 345; Summit 461; Washington 130; Whittier 330; Lincoln 265 and Franklin 96.

TWENTY-FIVE YEARS AGO

Dr. A. R. Maddox, Sedalia, a member of Clay Henderson post, American Legion, was elected one of the state vice-presidents of that organization at the state convention held in Springfield.

1936

There are now approximately 1,500 men employed at the Missouri Pacific shops in Sedalia, the largest force for several months, according to Guy T. Callender, superintendent.

Any satellite peoples who still hoped to shake off the Russian yoke some day—hope based on bygone American talk of liberation for them—would see their last hope gone.

And Western recognition of East Germany would put a crimp in West German politicians who have held out to their people the dream of a united Germany.

The United States has refused recognition of the East German Red government on the grounds that it is strictly a Russian puppet, which it is. But so are all the satellite countries.

It's a myth for this country to pretend—a myth repeated in the case of the Red Chinese—that the German Reds don't run East Germany. They run it, even though under the Russian thumb. And this country in effect recognizes that fact:

1. When the East German Reds shut off East Berlin to stop the flow of refugees to the West, the United States didn't lift a finger to stop them.

2. Of all the traffic moving from the West across East Germany to West Berlin, 95 per cent is civilian. The East German Reds control all that traffic. The United States doesn't do anything to say they can't. The remaining 5 per cent of traffic to West Berlin is military and the Russians control that.

Your Pocketbook

Spendable Money Increases And Business Will Benefit

By FAYE HENLE

How's your behavior as a consumer?

If yours is an average household and you were to total your spending for the acquisition of your car and other big-ticket items like a refrigerator, you would discover you had a \$7,000 investment. But if you wanted to sell all these, you probably would be able to raise only \$3,300 in cash.

These figures come from a report on "Consumer Behavior in 1961" issued by the Foundation for Research on Human Behavior at Ann Arbor, Mich.

If you followed the national pattern, your spending for these items increased 8 per cent from 1946 through 1955, then tapered off and increased by only 1 per cent over the past five years.

Do any of your possessions look shabby? If so, the foundation is correct in predicting that within the next two or three years your replacement needs will increase. The big unanswered question that business is seeking is: when will you step up your buying?

My desk is covered with forecasts.

William F. Butler, economist and vice president for New York's Chase Manhattan Bank, sees you stepping up your buying of both goods and services by 7 per cent between now and next summer.

The National Industrial Conference Board, surveying 220 manufacturers, reports three-quarters of them expect to sell more during this quarter than they did a year ago. About half of them predict the rise of new orders will go 10 per cent or more over 1960's figure.

Taking a more temperate view,

Democrat-Capital Class Ads Are Workers You Can Afford To Hire! Phone TA 6-1000.

So, recognizing the East German regime wouldn't change much in actual practice. The West's great defeat in doing so would be their retreat from the principle, or the myth, that the East German Reds don't run East Germany and, as a government, don't exist.

Khrushchev says the West does not have to sign a peace treaty with the East Germans if they don't want to. This is sardonic since he says: If they don't sign a treaty they'll have to ask the East Germans' permission to move back and forth to Berlin.

So no matter what face the West puts on it, this much is sure: If they have to make agreements with the East German Reds about traffic to and from Berlin they will, for all practical purposes, be recognizing them.

Khrushchev's pretense that the Red East Germans truly represent the feelings of the East Germans was shot to pieces by the flood of refugees. So he doesn't dare permit them to vote on what they want.

He talks of letting the two Germanies decide between them about their future. But this is a farce, too. He'd never permit it if it meant a united Germany, even under communism, because then it would be, next to Russia, the greatest power in Europe.

Little Chats on Public Notice

Leonard H. Lempert of Statistical Indicators Associates sees an uneven course of an upswing, saying:

"We would appraise the odds of

ON AND AFTER THIS DATE"

A lot of human nature underlies many kinds of public notices. Sometimes there is a happy event which calls for an announcement. Then again, there may be an undertone of trouble or human conflict buried in the notice.

A fairly common notice of the latter sort is where a person gives notice limiting the debts for which he will accept responsibility. One form reads: "On and after this date I will not be responsible for any debts other than those contracted by myself."

Most often such notices are used where husband and wife have difficulty and the former wishes to prevent the latter from running up further bills on him. Sometimes, however, a minor child may be involved or some other legally incompetent person.

In any case, this type of notice has a dual purpose. It puts the person who places the notice on record as to his stand in the matter, and it warns creditors that they will extend further credit at their own risk to all other persons indicated. Since it would be difficult to warn all creditors personally, the notice in the newspaper of general circulation is used to give such notices wide circulation. This is provided for by law, although there is some disagreement on whether the notice is absolutely binding.

The Doctor's Mailbag

Could Pets Be Unwitting Fifth Column Agents?

By Harold Thomas Hyman, M.D.

Q—Thank you for your directions for ridding humans of lice with (Kwell) shampoo. But how in the world do you get mites of out upholstered furniture, rugs etc.? I've used all sorts of sprays systematically once a month for months and I can't seem to get any results.

A—I may be wrong but I think you've misstated the problem. Most commercial insecticides are enormously effective. I'm sure you've de-bugged your furniture, rugs etc. Perhaps what's happening is re-infection by household pets. Next time you spray, include Fido and or Tabby. And then just see that they do their relaxing on the kitchen floor instead of on your parlor rugs and furniture.

Q—My teen-age daughter needs plastic surgery for a reshaping of her nose. Can you furnish me with the name of reliable surgeons in our locality?

A—Write Miss Estelle E. Hellerich of 4647 Pershing Ave., St. Louis 8, Mo., Corresponding Secretary of the American Board of Plastic Surgery. Give your address and enclose a stamped envelope for the reply.

Q—What objections are there to fluoridation of community water supplies?

A—Writing in the official organ of the Pennsylvania State Department of Health, the Director of Dental Health asserts that the antifluoridationists are "an assortment of people ranging from some skeptics to those who just naturally gravitate to opposition groups of all kinds. 'They're frequently,' he adds, 'people who dislike the change and always suspect the worst.'"

In this instance, according to the aforementioned director, Dr. Linwood G. Grace, "the worst" includes a "plot by the communists to gain control of the country"; a "great scheme of the aluminum industry to dispose of one of its waste products at a profit" and or feeding of "rat poison" to an uninformed public.

Yet the American Medical Association, the American Dental Association, the United States Public Health Service and many state boards of health (none Communist controlled or affiliates of the aluminum company) all endorse fluoridation. These endorsements have been based on numerous statistical studies the latest of which comes from Corvallis, Ore.

After fluoridation of the municipal water supply for seven years "dental caries of the permanent and primary teeth (of school children) was markedly reduced as compared with the incidence prevailing among children of the corresponding age before water fluoridation." There was also marked reduction in the numbers of

sets I am willing to predict an upswing in business, and the biggest Christmas ever. Here's why: Right this minute our income, after taxes and adjusted for buying power, for every man, woman and child in this country, equals \$2,015. This is 3 per cent higher than it was earlier this year and 1 per cent above last summer's peak.

And more spendable money is coming. Because of the hikes in social security benefits, some 4,500,000 of us will have \$1 billion more to spend during the next 12 months. These benefits go mainly to "little people," those with the lowest income and the highest needs. With the step-up in drafttees, with the step-up in defense outlays, job opportunities will in crease, meaning more spendable dollars.

decayed and missing teeth," state Drs. Tanks and Storvick writing in the Journal of Pediatrics.

No harmful effects of fluoridation were noted.

TIME OF YOUR LIFE

BY ARTHUR LORD

for practical advice on the problems of growing older.

SHE LOVES TO SUB FOR GRANDMA

DEAR ARTHUR: I simply must write and tell you what I've done. A couple of weeks ago I read in your column about several "girls" starting a child care agency. That started me thinking. Here I am a widow who doesn't want to impose on her married son for a home, companionship, and support. "But what can I do?" I asked myself. Well, I analyzed myself — really I did — and I decided that the thing I could do best and easiest was to become a substitute grandmother! So I did.

Now when younger folks want to take a weekend vacation, I stay at their homes, look after their children, and cook. I don't do heavy cleaning and I don't take long, confining jobs. I love my new job. It lets me do what I do best, which is being a grandma.

People are delighted to have me. They pay me \$10 a day. (I charge \$15 if the family is well-to-do.) Added to my pension money, I can indulge myself in luxuries and feel independent. (You see, I am booked weeks in advance). Thanks so much for the wonderful idea. I'm having the time of my life.

MRS. CATHERINE F.

DEAR MRS. F.: I'm so glad you found what you wanted. Mrs. F.! I'll pass on more happy ideas like this in the future.

DEAR ARTHUR: How long do you think a widow in her late 40s should know a man before she marries him? I'm not very attractive, but I have a large estate left to me by my first husband. Another problem is that I don't know whether it's love or money that my suitors are after.

CONCERNED.

DEAR CONCERNED: Forget about timing. When you find the fellow who is after what your first husband sought, you'll know you've found the right man.

DEAR ARTHUR: My first grandchild was just born last month. I was born in 1899. What is little Bobbie's life expectancy? And do you know how long I should live to be?

GRANDMA.

DEAR GRANDMA: Bobbie can expect to live for 70 or more years. Your life expectancy at the turn of the century was 48 years. Because you ARE 62, you can expect to live to be over 76. The figures seem to be mixed up, don't they? Yet, they are true. In effect, the longer you live, the longer you can expect to live. There comes a point, however, of diminishing returns on that way of looking at life!

Any fool can criticize and complain—and most of them do.

OBITUARIES

Ray Hatfield

Raymond H. "Ray" Hatfield, 58, well known Sedalia automobile salesman, was fatally injured about 9:15 p.m. Thursday in a fall at his home, 911 South Prospect. He died instantly.

According to reports, Mr. Hatfield had been ill the past several weeks, although able to go to his work at the Askw Motor Co. He had retired early in the evening and got out of his bed and was going to the kitchen when he apparently slipped and fell, striking his head against the room divider between the living room and dining room.

Mrs. Hatfield summoned Dr. D. R. Edwards, who after examining Mr. Hatfield, pronounced him dead.

He was for many years sales manager for the old Thompson Chevrolet-Buick Motor Co., worked several years for the E. W. Thompson Motor Co., when it opened at Fifth and Osage, and later on West Broadway. Later he was with the Parkhurst Manufacturing Co., and the past year he returned to the automotive business with the Askw Motor Co.

He was a member of the Epworth Methodist Church and of the Sedalia Lodge 236, A. F. and A. M.

He was born at Syracuse, Feb. 18, 1903, the son of the late Howard and Marie Hatfield. He was married to Verna Swope, May 17, 1924, who survives as do three daughters, Mrs. Davie Jean Lyles, wife of William R. Lyles 1012 West Fourth; Mrs. Maxine Ramseyer, wife of Charles Ramseyer, 232 State Fair Blvd.; and Mrs. Jacqueline Coffman, wife of Frank Coffman, Jr., of Overland Park, Kan., and nine grandchildren.

Also surviving are, four sisters, Mrs. Ora Gulick, Shawnee, Kan.; Mrs. Fairie Mullins, Kansas City; Mrs. Minnie Van Dine, Rock Island, Ill.; Mrs. Gusta Gulick, Ottumwa; and one brother, Arley Hatfield, Chicago, Ill.

Funeral services will be held at 2 p.m. Saturday at the Gillespie Funeral Home with the Rev. H. E. Travathan, pastor of Epworth Methodist Church, officiating. Miss Lillian Fox will play organ selections.

Honorary pallbearers will be: John Ryan, Max Taylor, Jake Marcum, George Routsong, D. B. Bettis, Cal Rodgers, Dan Robinson and W. A. Smith.

Active pallbearers will be: E. W. Thompson, Wilbur Askw, James Ryan, Brooks Green, Mike O'Connor and Bill Greer.

Burial will be in Crown Hill Cemetery.

The casket will not be opened after the service.

Mrs. Lula Mengeali

Mrs. Lula Mengeali, 77, Sweet Springs, died Friday morning at Fitzgibbon Hospital in Marshall following an illness of several weeks.

She was born near Alma, Mo., Feb. 29, 1884, a daughter of the late August and Dora Catlander. She was married to Joe Mengeali, who preceded her in death.

Surviving are: one son, August Mengeali, of the home; and one sister, Emma Dorsey, Bismarck, N.D.

She was a lifelong member of the New Home Christian Church.

Funeral services will be held at 4:30 p.m. Sunday at the Sweet Springs Christian Church with the Rev. Lon Annis Hanslin officiating.

Burial will be in Fairview Cemetery.

Leslie J. Thompson Rites

Funeral services will be held at 2 p.m. Saturday at the Welsh Funeral Home in Sikeston, Mo., for Leslie J. Thompson, 67, Royal Hotel, who died Wednesday.

The body was at the Gillespie Funeral Home until Friday morning and then taken to Sikeston.

Burial will be in the Old Morley Cemetery, Sikeston.

Kate D. Brosnan

Kate D. Brosnan, 67, Gravois Mills, died Wednesday at the Recor Nursing Home in Columbia.

She was born in York, Neb., on Dec. 10, 1893, daughter of the late Walter and Katherine Klock. In September of 1921 she married Jeremiah Brosnan.

Surviving is a sister, Mrs. Maude Heiple, Oklahoma City, Okla.

Mrs. Brosnan was a member of the St. Patrick's Catholic Church in Gravois Mills.

Funeral services were held at 9 a.m. Friday at the St. Patrick's Catholic Church with the Rev. Father Thomas Duggan officiating.

The Rosary was recited Thursday at the Scrivner-Stevenson Funeral Home in Versailles.

Burial was in the church cemetery.

Iva Dura Henley

Iva Dura Henley, 79, a Sweet Springs resident, died Thursday at Fitzgibbon Hospital in Marshall.

She was born in Van Buren County, Iowa, Nov. 10, 1881, a daughter of the late Marion and Ella Van Buskirk Cretcher. She was married to Ira Henley, who preceded her in death.

Surviving are: two sons, Olen Henley, Sweet Springs; Leo Henley, Detroit, Mich.; one daughter, Mrs. Marion Manning, Detroit, Mich.; five grandchildren and five great-grandchildren; one sister, Mrs. Grace Smith, Sedalia; and one brother, Orly Cretcher, Sweet Springs. One son preceded her in death.

She was a member of the Christian Union Church north of Sweet Springs.

Funeral services will be held at 2 p.m. Sunday at the Mt. Olive Church with the Rev. Virgil Caulk of Marshall to officiate.

Burial will be in the church cemetery. The body is at the Moseley Funeral Home.

Mrs. Laura Dell Holloway

Mrs. Laura Dell Holloway, 86, former resident of 416 East 12th, died at 4:15 a.m. Friday at the Hazelwood Nursing Home in Kansas City. She had been making her home in Kansas City for the past ten years with a daughter.

Survivors are: two sons, Austin Holloway, Harrisburg, Pa.; Fred Holloway, Booneville; four daughters, Mrs. Leroy Greenleaf, Oklahoma City, Okla.; Mrs. Eddie Blankenship, Kansas City; Mrs. May Warfield, Kansas City; and Mrs. Loraine Philgreen, Kansas City.

The body is at the Gillespie Funeral Home. Funeral arrangements are incomplete.

Alverta Gant Services

Funeral services were held at 2 p.m. Friday at the Freewill Baptist Church in Blackburn for Alverta Gant, Blackburn resident, who died Sunday at her home. The Rev. R. A. Lewis, church pastor, officiated.

Burial was in Pleasant Grove Cemetery.

Mrs. Goldie Dickson Rites

Funeral services were held at 2 p.m. Friday at the Gillespie Funeral Home for Mrs. Goldie May Dickson, 75, of 400 South Grand, who died Wednesday. The Rev. J. R. Wallace, pastor of the First Baptist Church, officiated.

Burial was in Memorial Park Cemetery.

Arley Bert Bowles Rites

Funeral services were held at 2 p.m. Friday at the Hopewell Union Church for Arley Bert Bowles, 73, a farmer near Latham, who died Tuesday. The Rev. George R. Igo officiated.

Burial was in Hopewell Cemetery.

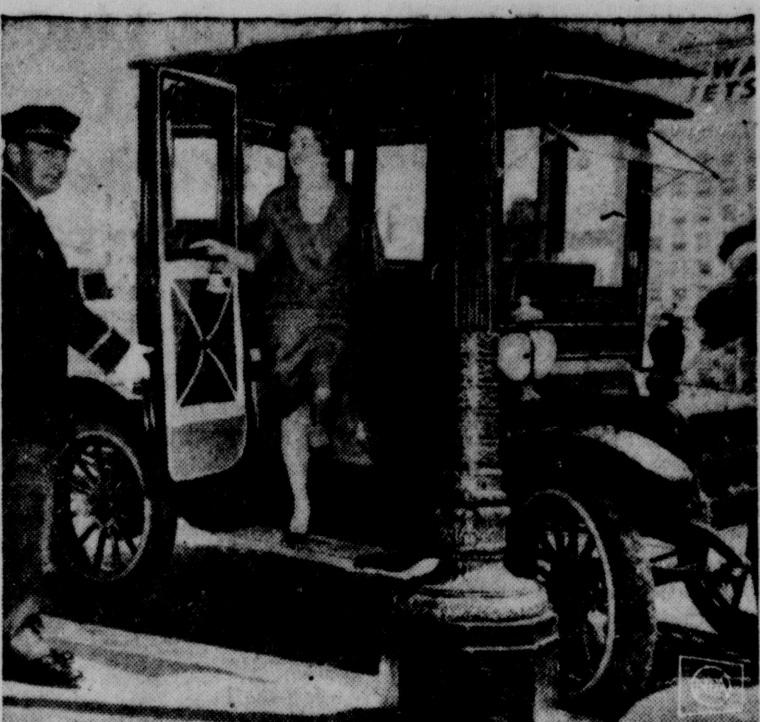

Rollo O. Owen Services

Funeral services will be held at 2 p.m. Saturday at the Community Church in Houstonia for Rollo O. Owen, 69, who died Wednesday at his farm home near Houstonia. The Rev. Charles Rogers will officiate.

Burial will be in Houstonia Cemetery.

Verwoerd Celebrates Birthday In Office

PRETORIA, South Africa (AP)—Prime Minister Hendrik F. Verwoerd today celebrated his 60th birthday working in his office here "because I have so much to do."

MODERN ANTIQUE—This appears to be an antique car parking at a San Francisco curb, but it's as modern as space flight. Barbara Glad is stepping out of the renovated 1912 model electric brougham which runs on sun power absorbed by solar cells arranged in a giant rooftop battery.

Son, to Mr. and Mrs. Raymond Keeran, California, at Latham Hospital in California, Sept. 7 at 10:25 a.m. Weight seven pounds, ten ounces.

Son, to Mr. and Mrs. Morris Burger, California, at Memorial Hospital in Jefferson City, Aug. 31. Grandparents are Mr. and Mrs. E. M. Burger and Mr. and Mrs. B. M. Harlan, both of California.

Son, born to Mr. and Mrs. Donald Blankenship, Sacramento, Calif., at 3 p.m., Friday, Sept. 1, at the Sutter Memorial Hospital, Sacramento. Weight eight pounds, five ounces. He has been named Jeffery Phillips. Mr. Blankenship, who is on the Sacramento School faculty, is the son of Mr. and Mrs. O. C. Blankenship, 1014 East Sixth. Mrs. Blankenship is the daughter of Mr. and Mrs. LeRoy Miller, Marshall.

City Hospital

Bothwell Visiting Hours: First and second floors, 2 to 4 p.m. and 7 to 8:30 p.m. Third floor (maternity), 3 to 4 p.m. and 7 to 8:30 p.m.

BOTHWELL—Medical: Mrs. Orlyn Schroeder, Florence; James E. Lucas, 562 East 15th; Emil E. Young, 545 East Fourth; Mrs. Ralph Montgomery, Smithton; Mrs. Charles Wicker, Houstonia; Charles Fajen, Stover; Jack H. Needy, Tipton; Mrs. Janice Phillips, Ottumwa; Mrs. Roy Alexander, 2212 First Street Terrace; Mrs. Clara Powers, 817 West Fifth; Mrs. Arble Speaker, Ottumwa.

Dental: Harvey Young, 421 East 16th; Mrs. Charles E. Dial, 2007 East 15th; C. Dewey Guinn, 520 East Saline; Linda M. Gresham, 515 East Booneville.

Surgery: Mrs. Charles Chamberlain, Versailles; Mrs. George Shull, Route 4; Mrs. W. F. Fitzgerald, Marshall; Mrs. Bennie R. Pummill, 2100 East Ninth.

Accident: Larry Peters, Route 5.

Dismissed: Mrs. Jack Smith, Ottumwa; Mrs. Robert Rear and son, Whiteman AFB; Mrs. Olla M. Nicholson, 1007 West Tenth; Mrs. Bertha Arnett, Cross Timbers; Mrs. Charles Shavmore and daughter, 1708 South Snead; Herbert C. Seidler, Ottumwa; Mrs. Robert F. Capps and daughter, Stover; Jacob W. Marcum, Smithton; Harlan M. Close, Green Ridge; Earl C. Cline, 715 West Seventh; Mrs. Herbert Pritzel, Lincoln; Mrs. Leota Larimore, Lamp Lighter Lodge; Mrs. Hiram Mueller and son, Hughesville; Mrs. Stanley M. Holt, 1009 East 16th; Mrs. John V. Baldwin, 1114 East 12th; John W. Hill, 1406 South Carr; Mrs. Ralph L. Brown, 1403 South Montauk; Mrs. Edward Brummett, 1020 South Harrison; Mrs. Raymond Picker, 804 West Fourth.

Alice Smith, 16, Route 3, Windsor, accompanied Miss Rice and received an injury to her upper lip. Miss Rice had a slight cut under her chin. Both Scott and George Shumate, 15, 1800 South Prospect, who were together, said at the scene they weren't hurt.

Park's wrecked towed away one car and Bacon's wrecker the other.

Police Court

Dale Neth, Route 1, charged with speeding 40 miles per hour in a 30-mile zone, pleaded guilty and was fined \$10.

Earl Bryson, 1620 Wagner Drive, charged with careless and reckless driving, pleaded innocent and was found innocent.

Iris Helene Cannon, 706 West

In Other Hospitals

Henry Patterson, 1708 South Montauk, was admitted to St. Joseph's Hospital in Kansas City, Wednesday and underwent hand surgery Thursday.

LATHAM Hospital—Admitted: Louis Weant, Jamestown; Gene Davenport, Barnett; and Kenyon Papen, Camdenton.

Accidents

Wallace Vance Keen, 26, Sedalia, suffered minor injuries at 2:30 a.m. Thursday when the car he was driving went out of control and overturned one and one-half miles east of Warrensburg on Highway 50.

State Highway Patrol Trooper Jim Happy said the Keen car went off the right side of the pavement and when the driver attempted to cut the vehicle back sharply it skidded to the left, went off the road and over an embankment. The car overturned one time and landed upright on its wheels.

The car was demolished.

Damage was minor in an accident involving a parked car in the 100 block of South Osage at 4:20 p.m. Thursday.

A 1957 Ford owned by Otha Harold Carter, 53, 202 South Missouri, was damaged on the left front fender, and a 1956 Chevrolet driven by Margaret J. Bishop, 18, 1208 South Washington, was damaged on the right front fender.

The Chevrolet reportedly had made a right turn south onto Osage before the accident took place.

A 1961 Chevrolet driven by Ralph Earl Russell, 40, Jefferson City, and a 1961 Ford, driven by Carl Wayne Cobb, 23, 1113 East 13th, collided at Broadway and Lamine at 12:06 p.m. Thursday.

The rear of the southbound Chevrolet and front of the Ford were damaged.

No one was injured.

Two automobiles were extensively damaged, two juvenile girls received minor injuries and two juvenile boys said they were unhurt in an accident about six miles southwest of Sedalia on the Green Ridge road about 9:35 p.m. Thursday. Trooper Pete Stohr of the Highway Patrol, made the investigation.

Involved were a 1955 Ford sedan driven by Milton Franklin Scott, 16, 1915 South Grand, and a 1957 Ford sedan driven by Nora Lou Rice, 16, of Route 1, Green Ridge. According to Scott, he had topped the crest of the hill in the road and pulled down and stopped, preparing to turn around, and his car was stopped at the time of the accident.

Miss Rice, told Trooper Stohr she was also headed west, came over the hill, saw a car stopped and applied her brakes and that was all she remembered. Her car, after the collision, swerved to the left side of the road and nosed into an embankment, while Scott's car spun around and flipped over on its top.

Alice Smith, 16, Route 3, Windsor, accompanied Miss Rice and received an injury to her upper lip. Miss Rice had a slight cut under her chin. Both Scott and George Shumate, 15, 1800 South Prospect, who were together, said at the scene they weren't hurt.

Police Court

Dale Neth, Route 1, charged with speeding 40 miles per hour in a 30-mile zone, pleaded guilty and was fined \$10.

Earl Bryson, 1620 Wagner Drive, charged with careless and reckless driving, pleaded innocent and was found innocent.

Iris Helene Cannon, 706 West

Works Board

(Continued from Page One)

cast iron mains are undersized and should be replaced by larger pipe. As a result, certain areas of the city lack adequate water supply for fire protection. Twenty fire hydrants have been ordered installed by the city, but no money is available to install the proper size mains to serve the hydrants.

"Fourth, the present revenues are wholly inadequate to meet the costs of main replacements; the rebuilding of the water treatment plant; normal operating expenses and the retirement of bonds and payment of interest.

"The following summary of the financial operations for the year ending March 31, 1961, will readily show the difficulties facing the Water Department.

Total water revenues, \$397,052.

"Operating expenses, maintenance, depreciation, merchandising and other expense, \$288,154.

Taxes payable to City of Sedalia, \$17,305.

"Total operating costs, \$305,459.

"Net operating revenue, \$91,593.

"Other income, \$3,337.

"Total, \$94,930.

"Interest on bonds, \$94,500.

"Other interest, \$713.

"Total, \$95,213.

"Net loss, \$283.

"Transfers to funded accounts from surplus reserve account for water revenue bonds, \$21,769.

"Renewal and replacement account, \$11,096.

"Total, \$32,865.

"At a recent meeting with the mayor and seven councilmen (one being out of town), we presented the problems of the Water Department. They were in unanimous agreement that these steps must be taken:

"1. To continue to insure the people of Sedalia a pure and adequate supply of water.

"2. That the water works plant and equipment must be properly maintained and that timely replacements and repairs be made.

"3. That the interest and principal on the existing bonds be paid on time.

"4. That all reserve funds are kept up to date.

"5. That present revenues are not sufficient to insure that these things be done.

"6. That an increase of 30 per cent in water revenues is necessary to accomplish the goals set forth by competent engineers and the State Division of Health.

"We publish, in part, a letter received from the State Division of Health:

"As indicated in our written reports of investigation and our discussions at the meeting last week, the water purification facilities are very much outdated. Very little has been done to update the water treatment facilities in keeping with water works practices and processes. The treatment facilities need complete renovation. The Division of Health has pointed out the need for additions and improvements to the plant for a number of years. We believe that ample time has been allowed to make definite plans for improving the water treatment processes. As you know, the public water supply of Sedalia is an approved water supply and the approval is based partly on maintaining the facilities to conform with standards of the Division of Health and modern water works practices.

"This letter is to urge that definite plans be made within the next ten months for improvements to the plant in accordance with recommendations of this division. If definite progress is not made within that time, it will be necessary to change the supply to unapproved status until such time that the plant is brought up to standards.

"By the direction of J. P. Russell, M.D., director, Section of Hospital and Technical Services."

"The cost of meeting these demands have been estimated by an engineering firm to approximate \$500,000.

"These are the hard cold facts every citizen of Sedalia must face.

"The Board of Public Works appreciates the vote of confidence given by the City Council at its last meeting. The board is hopeful that it also has the support and confidence of all of the citizens of Sedalia.

"All of us are owners of the Water Department and cannot escape the responsibility of maintaining the system in good repair and to insure its adequacy in providing safe drinking water."

Third, charged with running a red traffic light, failed to appear and her \$5 bond was ordered forfeited.

Alice L. Tucker, 918 South Arlington, charged with angle parking, failed to appear and her \$2 bond was ordered forfeited.

Stanley Tilsforth, Green Ridge, charged with parking on the wrong side of the street, failed to appear and his \$2 bond was ordered forfeited.

L. O. Allred, Jefferson City, charged with parking in the center of a parking lot, failed to appear and his \$2 bond was ordered forfeited.

High school enrollment and assessed valuation of each of the county's schools follows: Hughesville, 93, \$2,005,275; Houstonia, 42, \$1,607,798; LaMonte, 89, \$3,005,842; Smithton, 163, \$3,366,566; Green Ridge, 97, \$2,676,000; Sedalia, 1300, \$28,433,890.

Draft Notices Going to 20,000

WASHINGTON (AP)—Twenty-thousand men will be drafted into the Army next month.

The October call, announced on Thursday by the Defense Department, is the second largest since the end of the Korean War. The largest is this month's call for 25,000.

As usual, the Air Force, Navy and Marine Corps will not draw from the draft.

The draft was stepped up sharply last month, shortly after President Kennedy said quotas might be doubled or tripled in a U.S. military buildup. The August call, originally 8,000, was expanded to 13,000 and heavy September and October calls followed.

Check Burglaries In Monticau County

Authorities are investigating two minor burglaries in Monticau County, which occurred sometime Wednesday night or early Thursday morning.

At Tipton, the break-in artists entered the Co-Mo Electric Co-operative building on south highway 5 and stole a transistor radio, electric alarm clock and camera. An attempt to open a cigarette machine failed.

The B. L. Fuls general store at Latham, southeast of Tipton, was raided by burglars who sawed small bars in a basement window and removed the glass before entering. They obtained only \$2.50 in small change.

The State Highway Patrol reported the thieves replaced the window glass and bent the bars neatly back into place as they exited.

Sinful Driving Is Denounced By Vicar

LONDON (AP)—The Rev. Eric James says sinful driving is a major cause of auto crashes in Britain.

The vicar of St. George's Anglican Church in Camberwell wrote in his parish magazine that what drivers need is more humility.

He described as sinful drivers "turning to curse anyone who gets in their way, feeling that pedestrians are provocative menaces, finding it degrading to be overtaken and talking with a loud mouth upon the inferiority of women drivers."

He added that water company officials told him the line was big enough to serve up to 18 homes, and that with only 11 homes now on the line, no one has experienced low water pressure or any other inconvenience.

"We're all happy with the situation as it is now," Farris stated.

The water bill, Farris said, is presented to him, and he collects from the other users on an agreeable basis.

Hedderich re-stated that in the board's opinion the situation must be corrected, with a meter, running off an approved line, for each home, in order to be fair to customers inside the city limits.

He said the board has received complaints from city water users, who must pay a fee for the hook-up in addition to a service charge. He stated it is against the board's policy to approve galvanized pipe of any size, and that a suitable line of cast iron must be installed.

After consulting with other board members, Hedderich proposed the Water Department purchase the old line from Farris for \$2,000, then install a 12-inch main from Washington to Kentucky on 32nd. The home owners along the route would be charged about \$847 each, for a six-inch main, then the Water Department would assume the additional cost for the 12-inch main. Hedderich explained that if the home owners assume their share of the cost of the new line, each additional hook-up in the next ten years would add \$50 to a fund, which would be pro-rated back to the original home owners who paid for the line.

After considerable discussion on the matter, it was decided that Durlay and Farris would talk the proposal over with all of the home owners concerned, then meet with the board for further discussion.

The board gave the residents until May 1 to act on the proposal.

If the action is against the installation of the approved line, Hedderich said, "You people might as well start digging wells, because we will have to turn the water off."

At the onset of the meeting the board explained it was sympathetic with the home owners, but in view of the complaints and in order to be fair to everyone, the approved line must be installed in order to provide water for the area.

In additional action at the meeting the board revealed that the City would share the \$200 cost of membership in the Blackwater-Lamine Flood Control District.

The board approved the signing of a three-year lease on the present quarters for the Water Department, at \$2,700 per year, or \$225 per month. The owners of the building had asked more, but last month the board asked for a re-study and reduction in the amount asked. The rent is now \$165 per month.

Boyle pointed out information from the 1960-61 Missouri School Directory, published by the State Department of Education, shows Pettis County's assessed valuation is \$41,145,371 with a total high school enrollment of 1,704 students.

High school enrollment and assessed valuation of each of the county's schools follows: Hughesville, 93, \$2,005,275; Houstonia, 42, \$1,607,798; LaMonte, 89, \$3,005,842; Smithton, 163, \$3,366,566; Green Ridge, 97, \$2,676,000; Sedalia, 1300, \$28,433,890.

Proposed Line-Ups Announced

Bengals Face Traditional Rivals for Season Opener

The 1961 football season for the Smith-Cotton Tigers gets underway at 8 o'clock tonight on the gridiron of the Jennie Jaynes Stadium. They meet the Marshall high school Owls in a traditional contest between these two clubs at the opening of the grid season. This is a non-conference tilt.

Thursday afternoon the Bengals went through light workout on the regular playing field in "full dress" at which time some of the "kinks" in plays were partially ironed out. The team in general appeared in good condition and ready for their first real try at the game.

Coach Bob Edmundson said he had the lineups in mind for the start of the game, but there was a good possibility there might be a switch or two just before game time. Several factors enter in his decision as to who will be in that starting eleven.

His proposed offensive lineup will be Art Wiggins, right end; Larry Howard, right guard; Benjie Thomas, right tackle; Jim Stivers, center; Walt Broom, left guard; Jerry Ray, left tackle; Claiborn Campbell, left end and with the back field to include Dale Herrick, right half; Bill Ferguson, fullback; Jack Taylor, left half; and Dickie Van Dyne, quarterback.

Defensive lineup is planned thusly: Bill McFarland, right end; Larry Bock, right tackle; Ray Greer, middle guard; Charles Anderson, left tackle; and Larry McCown, left end. Ronnie Miller, outside left linebacker; Larus Durnell, safety; Buzz Knapp, inside line backer; Lonnie Schott, inside line backer; Charles Patterson, left safety; and Bob Nagel, left outside line backer.

Marshall has been pointing to this game for months—to avenge the defeat handed them in 1960 of 34-13 on their own gridiron. The team is expected to have a large following of Marshallites from the early reports from that area.

Coach Cecil Naylor of the Owls has left nothing undone to right

the wrong of 1960, and information is they are ready for the Tiger meeting.

Naylor announced the following players and lineups: Bob Pace and Fuzzy Reid, ends; Bill Fletcher and Buzzy True, tackles; Lynn Bell and Co-Captain Jack Hayden, guards; Howard Chamberlin, center; Jim Tobin, back again, at quarterback; Delroy Brown or Chuck Sheffer, halfback; Skip Abney or Charlie Bartlett, wing back; Co-Captain Theodore Irving, fullback.

For his defensive squad: Ralph Hutcherson and Reid, ends; Stanley Cooksey or Jim Igo and True, tackles; Irving or Bell, middle guard; Fletcher, and Leroy Criswell, inside backer; Abney and Hayden or David Corkle, outside backer; Bartlett and Tobin, twin safeties.

Seal In Zoo Died Of Sinking Feeling

SEATTLE, Wash. (AP)—Frank Vincenzi, Woodland Park Zoo director, told the Seattle Park Board Thursday a postmortem showed a seal died of a sinking feeling in the stomach.

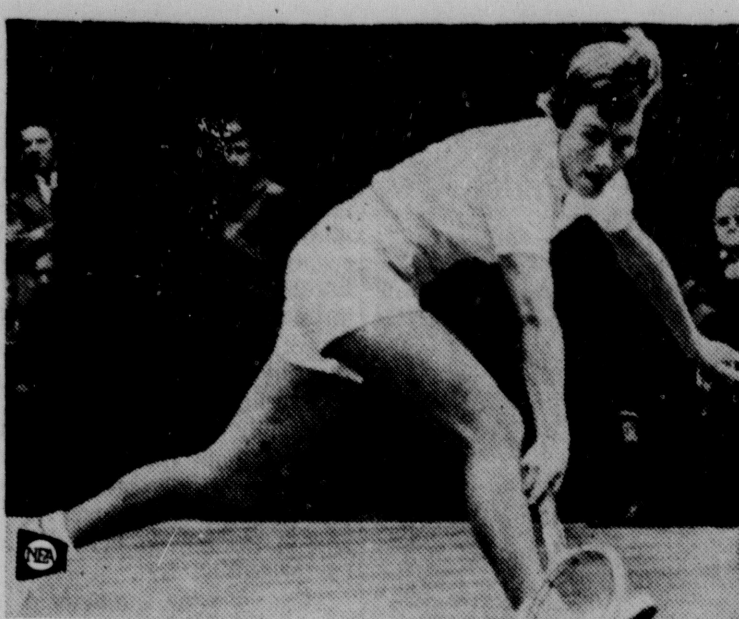

The feeling was caused by 321 pennies, 12 nickels, 8 dimes and 1 West German pfennig. For desert the seal also had swallowed a button, metal washer and 16 pebbles. It all came to 2 pounds 9½ ounces.

The official cause of death was listed as copper poisoning.

Mickey Breaks Tie

Yanks Crack Cleveland; Maris Paces Babe Ruth

By ED WILKS

Associated Press Sports Writer
Roger Maris, an old hand at busting down barriers (he once crashed through a wooden fence chasing a fly ball), now is within five home runs of powering through to Babe Ruth's 34-year-old record of 60.

Maris hit No. 55, his second in two games, as the New York Yankees cracked the Cleveland Indians 7-3 Thursday night. Only three other challengers to Ruth's supreme 60 in 1927 ever have been this close—Jimmy Foxx, Hank Greenberg and Hack Wilson.

Foxx got to 58 with the old Philadelphia A's in 1932. Greenberg also finished with 58, for Detroit in 1938. Wilson stopped at 56 with the Chicago Cubs when he set the National League record in 1930.

Maris, who startled Cleveland defenses with a drag bunt that brought in a run his first at-bat Thursday night, still is seven games ahead of the Babe's record pace. He has 14 games in the limit of 154 team decisions set by Commissioner Ford Frick.

Teammate Mickey Mantle, his total still at 51, fell two games behind Ruth's pace when he failed to connect for the second straight game. But the Mick doubled home the tie-breaking run that gave the Yanks their eighth straight victory and a run-away, nine-game lead over Detroit.

The second place Tigers lost their seventh in a row, 8-4 at Boston, in an afternoon game. Third place Baltimore edged within 3½ games of Detroit by whipping Washington 6-3 in the only other AL game scheduled.

Pittsburgh defeated the Chicago Cubs 7-5 in the lone NL game. Maris, whose solo homer came in the third inning on a 1-0 pitch by losing left-hander Dick Stigman, shrugged off his earlier sacrifice of a swing for the bunt.

"I was up there to get the run in," he said. "That was my job." Mantle's double put the Yanks back in the lead in a two-run sixth after the Indians had tied it in their sixth on Tito Francona's three-run homer off Ralph Terry. The Yankee right-hander, now 13-2, retired the first 13 men he faced and finished with a five-hitter.

The win reduced the Yanks' magic number to 14. Any combination of New York victories and Detroit losses totaling 14 gives the Yankees another pennant.

The Tigers, a week ago just 1½ games behind New York, blew a 3-1 lead at Boston as their ace, Frank Lary (19-9) lost on his third try for victory No. 20. An

Joplin Launches 1961 Campaign Saturday

LEXINGTON, Mo. (AP)—Joplin Junior College, expected to set the pace as it defends its football title in the Interstate Conference, launches its campaign Saturday night.

Joplin will be host to Fairbury, Neb., Junior College, admitted to the conference for football competition.

The Fort Scott Greyhounds also make their debut this week, meeting El Dorado Junior College Friday night at Fort Scott.

Highland Junior College, the 1960 runner-up, and Wentworth Military Academy begin their schedules next week.

Attack, Line Makes KU A Favorite

By SKIPPER PATRICK

Associated Press Sports Writer
LAWRENCE (AP)—A powerful and versatile attack led by John Hadl and a deep quick hitting line make Kansas a solid favorite for the Big Eight football title and a high national ranking this fall.

Even coach Jack Mitchell admits Kansas could have a fine team, but he doesn't go along with observers who say it will be a run-away for the Jayhawks.

"Sure, Hadl is a great quarterback and we have some other exceptionally fine boys," Mitchell confessed, "but, man, we've got problems in this league."

Mitchell said he is sure Oklahoma is on the way back and Colorado, Missouri and everybody else in the Big Eight will be tough for his team.

Kansas finished the 1960 season the strongest team in the Midlands, possibly in the nation. The Jayhawks knocked off Nebraska and Colorado by lopsided scores before beating Missouri, then the Nation's No. 1 ranked team, 23-7, in a season finale.

The Jayhawks were forced to forfeit their victories over Colorado and Missouri, however, and the Big Eight title. Their 7-2-1 record dwindled to 5-4-1 with the NCAA and Big Eight ruling that star halfback Bert Coan was recruited illegally.

Coan, a 200-pound plus swiftie from Pasadena, Tex., led the Jayhawks in scoring last year with nine touchdowns and in rushing with 448 yards. Ineligible for the first five games this fall, it's doubtful he'll play at all because of a broken leg in spring practice.

Hadl, a 205 pound senior from Lawrence, could be a top contender for All-America honors. Converted from halfback to quarterback last season, Hadl scored seven touchdowns, rushed 375 yards, passed for 566 yards and three touchdowns and averaged 40.5 yards on 43 punts. He does every thing well and is a fine leader.

Teaming with Hadl in what could be one of the better rushing threesomes in college football will be veteran halfbacks Curtis McClinton and Hugh Smith.

McClinton, a 215 pound senior, was the Jayhawks' leading pass catcher and No. 2 rusher last season. Smith, a 200 pound junior, takes over for Coan. He has blazng speed.

Elvin Basham, 180 pound guard, is a key man in a fast hitting line.

The Jayhawks return lettermen in every position. If they have problems, it likely will be at center, where two-time All Big Eight Fred Hageman, and at fullback, where Doyle Schick have graduated. The backfield could use more depth.

"Our rushing should be as good as last year," Mitchell said. "Our passing should be as good or better because we have the same personnel back. Our pass receiving should be a bit better."

"We are going to give it a big try," Mitchell mused. "It should be an interesting season."

The Jayhawks open against TCU in Fort Worth the night of Sept. 23.

Claim Reds Too Eager To Win Flag

CINCINNATI, Ohio (AP)—The Cincinnati Reds are too eager for their own good to win the National League pennant, according to a man who ought to know—Manager Fred Hutchinson.

The Reds have been playing only .500 ball since regaining first place from the Los Angeles Dodgers on August 16. The Dodgers have been right at their heels ever since. The two teams are separated now by only one game.

Hutchinson says the trouble is "too many players are trying too hard."

"I suppose it's only natural, especially at this period of the pennant race," said the usually dour Hutchinson whose team is due to start a three-game series tonight against the St. Louis Cardinals. The Cards and Reds each won one game of a two-night stand at Busch Stadium earlier this week.

"We have quite a few youngsters mixed up in a pennant scrap for the first time and they're bound to be pressing a little."

"And then, of course, most every game we've played recently has been a cliff-hanger. Well, most every one. I can think of only a couple of games in our last dozen or so that didn't go right down to the wire."

Part of the Reds' troubles, Hutchinson admitted, are due to Frank Robinson's woeful batting slump. The right fielder had only five hits in 27 times at bat during the eight-game road trip that ended Thursday night.

Ann Landers

Answers Your Problems

Dear Ann Landers: I'm 15 and my boy friend is 16. He went to Europe with his folks and was gone six weeks. His letters were simply wonderful, especially the parts where he said he missed me very much.

He got back yesterday and of course I was dying to see what he brought me in the way of a gift. Well, he handed me a paper sack and guess what was in it—a lump of dirt from Ireland. We are both Irish but I think this is a pretty poor excuse for a present. I'm anxious to let him know how I feel but my mother says to control my temper and say nothing. What do you advise? — LET DOWN

Dear Let Down: What were you expecting — a Bentley? Say nothing about your disappointment. After all, a daughter of Erin should be mighty proud to own some of the old sod. And I must say the kid is plenty smart. This is really something you can pick up at the last minute!

Dear Ann Landers: I know you are a practical woman who looks at all angles. Please give me some help.

My husband and I were di-

vorced because I told him to choose between me and his 15-hour-a-day taxi job. He chose the taxi. He asked if he could continue to live in the house and pay room and board, and take the kids out every Sunday, as always. I agreed.

This arrangement has been going on for two years and it has worked out pretty well for all of us. In fact, we get along better now than we ever did. The kids don't realize we are divorced because neither of us has had the heart to tell them.

Last night the big lug suggested we get married again. What do you think? — MYRTLE

Dear Myrtle: I think it's a shame that some people use a cannon when a peashooter will do the job just as well. Remarry.

Dear Ann Landers: My mother is wonderful. She's good-natured and understanding. I know how lucky I am when I listen to some of my girl friends talk about THEIR mothers. But I have one gripe which drives me buggy.

She has a habit of repeating things to me which I already know. For example she'll say, "Don't forget to put water in the ice tray before you put it back."

Or, "Remember to wash the lettuce carefully — vegetable bugs, you know!" Last night when she knocked on the door to tell me to be sure to pull the bathtub plug I blew up.

Why is she like this? I'm not a baby (I am 16 years old) and no scatterbrain who needs to be told the same thing upmy eleven times. — DARLENE

Dear Darlene: Your good-natured, understanding, wonderful mother still thinks of you as her little girl. She enjoys instructing you as she did years ago, because those were happy days for her — days when she knew she was needed.

Smile to yourself when she gives orders, and don't let it upset your chemistry. Being able to understand and tolerate personality defects is a sign of maturity.

Confidential to ONE JUMP AHEAD: Don't count on it, Buster. Sometimes when you build a better mousetrap, nature breeds a smarter mouse.

To learn the booby-traps of teenage drinking, write for ANN LANDERS' booklet, "Teenage Drinking," enclosing with your request 20 cents in coin and a long self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Berserk Woman Sets Fires In Neighbor Homes

SOUTH BEND, Ind. (AP)—Helena Vernon screamed, "My children are buried in the gas sewer!" after setting fires Thursday in her own home and those of eight neighbors.

Police subdued Mrs. Vernon, 44, wife of an insurance agent, and put her under guard in St. Joseph Hospital. Her children actually were in school at the time.

Two other women were hospitalized along with Mrs. Vernon. Mrs. Wilbur Warner suffered burns on the neck and face after Mrs. Vernon poured gasoline on her. Mrs. Roger O. Valdeserri became hysterical after Mrs. Vernon started a fire at her home.

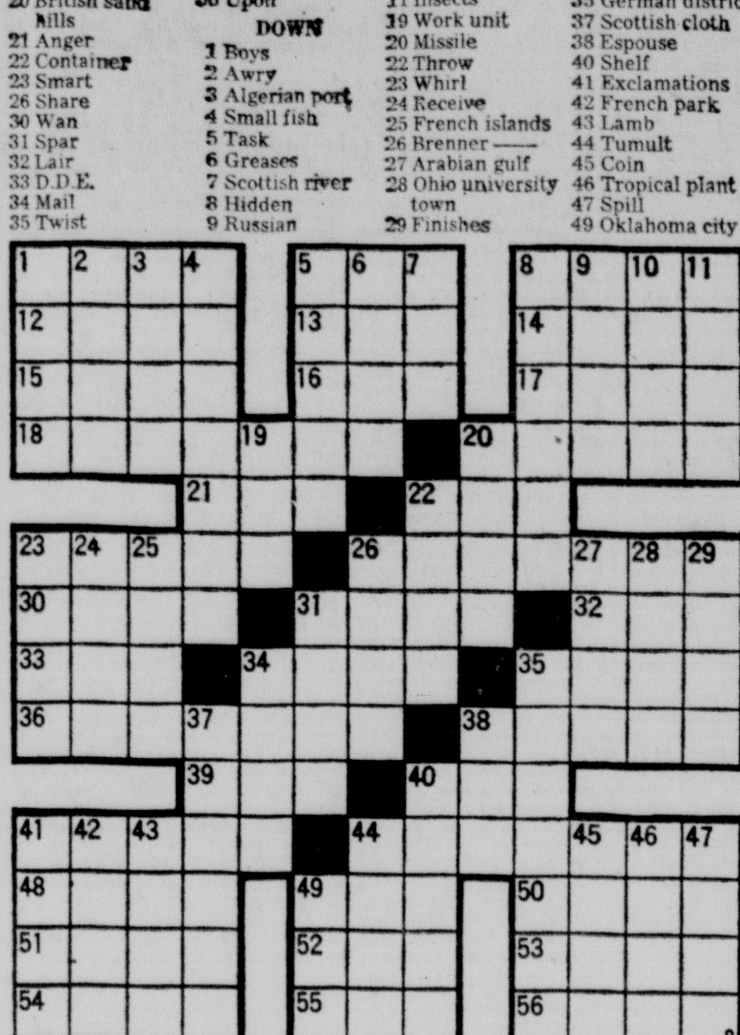

Checkup Indicates Mrs. FDR Is Okay

NEW YORK (AP)—Mrs. Franklin D. Roosevelt, described as in "very satisfactory condition," leaves Columbia Presbyterian Medical Center today after a routine three-day checkup. Dr. A. David Gurewitsch, personal physician to the former First Lady, said Thursday Mrs. Roosevelt, 76, would go from the hospital to her home in Hyde Park, N. Y.

Hal Boyle's Column

Odd Adventures Await Man With New Set of Dentures

By HAL BOYLE
NEW YORK (AP)—"Some sat, some stood, some slowly strayed," said the man as he walked along. The words were like whistles.

He shook his head despairingly. He took two fists full of fingers into his mouth and tugged. Then he again said in that half-loud voice people use when talking to themselves:

"Some sat, some stood, some slowly strayed, some stood, some slowly strayed."

A few passers-by edged away from the stranger nervously. But not me. I fell into step beside him as he muttered once more in his whistling monotone, "Some sat, some stood, some slowly strayed."

"You had 'em long?" I asked. For a split second he looked at me in startled wonder, then replied: "Four days."

"They still hurt much?" I asked. "Something awful."

"I've had mine almost four years," I volunteered. "Yours still hurt much?" he inquired.

"Only when I eat too much corn on the cob," I told him. "Corn on the cob!" he shuddered visibly. "I wouldn't dare try."

"You will," I assured him. "In time you will. You'll know you've got 'em whipped when you can sit down, eat corn on the cob, sirloin steak and a raw apple—and get up laughing."

He looked at me in hopeless envy. "I'll never be able to do that," he sighed.

"You will," I assured him again. "It's all just a matter of time—and a fighting spirit."

"Can you say Mississippi?" he asked. "Certainly," I replied. "Mississippi, Mississippi, Mississippi."

Chester, Ill. (AP)—One job specialty at Menard Prison was eliminated Thursday — that of runner.

"The trustees have gotten the idea, somehow, that the term means 'distance runner,'" said Warden Ross Randolph.

Runners on the prison's 2,400-acre farm used to do errands, carry messages, and bring water for farm work crews. It was a highly-prized job.

The runner job was scratched after James F. Webb, 21, of Arthur, Ill., a runner about to be released from a one-to-five year larceny term, quit the institution without notice Tuesday.

The same thing happened Aug. 18 when the fleeing runner was Lawrence McKnight, 29, of Decatur, Ill. Both men are sought.

State Police said the plane was out of fuel.

The Menzies left Phoenix, Ariz., at 11 a.m. and were due in Albuquerque, N.M., at 1 p.m. A search plane spotted the wreckage at 5:15 p.m.

"I realize your descendants will be disappointed, but there just isn't any more room!"

Negro School Accepts First White Student

DOVER, Del. (AP) — A white pupil has enrolled at a previously all-Negro high school here. He is believed to be the first white student in the school's history, officials say.

James C. Hardcastle, supervising principal of the William W. M. Henry Comprehensive High School, said there "was no tension whatsoever" Thursday when the 15-year-old white boy enrolled along with some 600 Negroes.

Hardcastle declined to reveal the boy's name. He called the action "a healthy sign."

Square Dancing Lessons Slated

Free square dancing lessons will start Monday night on the outdoor platform at Liberty Park under the sponsorship of the McCarty Twirlers square dance club. The lessons will be taught by Ray McCarty and begin at 8 p.m. In case of bad weather the dancing instruction will be upstairs in Convention Hall.

The McCarty Twirlers club was two years old this summer and this will be the third class the group has sponsored. Members of the club are invited to help with the lessons.

"Anyone interested in learning to square dance is invited," McCarty said.

Henry Argenbright Reunion Held Sunday

The reunion of the Henry Argenbright descendants was held at the home of Mr. and Mrs. J. D. Friedly, Sr., in Ionia Sunday with a basket dinner at the noon hour. Tables were arranged in the yard with chairs to seat them all.

Those attending were: Mrs. R. P. Hunter, Miss Mildred Hunter, Mr. and Mrs. Keith Hunter and family, Columbia; Mrs. Edward Knoop, Mr. and Mrs. Milton Mathew and Miss Patsy Mathew, Windsor; William Argenbright, Mr. and Mrs. Clarence Friedly and family, Sedalia; Mrs. B. E. Argenbright, Howard Argenbright, Mrs. J. P. Argenbright, Mr. and Mrs. Otto Kraxberger, Mr. and Mrs. Herbert Brunjes and family, Stover; Mrs. J. L. Argenbright, Mrs. Irene Browning, Mr. and Mrs. W. E. Browning and family, Mr. and Mrs. John D. Friedly Jr. and family, Ionia; Mr. and Mrs. J. E. Mullins and family, Independence; and the following guests, Mrs. Lora Davis, Windsor; Mrs. Gladys Fletcher and Miss Edith Willis, Ionia.

Outside games were played during the day.

Fire Destroys Home Of Edward F. Horton

LAKE GEORGE, N. Y. (AP)—Fire destroyed the summer home of actor Edward Everett Horton Thursday. The two-story frame structure on Warner Bay, 10 miles north of this resort village, was built in the 1880s. It was unoccupied at the time.

AIR CONDITIONER

RUSTING AWAY IN YOUR WINDOW?
HERE'S ANSWER

What bigger eyesore around the home than a rusty air conditioner peering out of the window? Yet rust is so easily stopped with Rust-Oleum® coatings. First places where rust usually starts are the tray or mounting base where moisture accumulates, the bottom of the housing, and the mounting brackets. Frequently the housing will rust where the paint has been scratched or chipped. If rusty, these areas should be scraped and wire-brushed to remove rust scale and loose rust, then apply a liberal coat of Rust-Oleum 769 Primer over the remaining rust. When dry, follow up with your choice of a Rust-Oleum top coat color.

Your nearby paint, hardware, lumber and farm dealer features Rust-Oleum in brush or self-spray containers. Ask your Rust-Oleum dealer for a free copy of "101 Rust-Stopping Tips," or write the Rust-Oleum Corporation, 2990 Oakton St., Evanston, Illinois. You'll find this handy thirty-six page booklet to be a valuable help around the home.

Finds Emcee Job Toughest Chore On TV

By CYNTHIA LOWRY
AP TV-Radio Writer

HOLLYWOOD (AP) — "One of the hardest jobs in television," said Dick Powell, "is being the host on a show. What do you say for 45 seconds at the beginning of the show when you really haven't anything to say except please watch?"

Broadcasting — including radio — certainly did not invent the "host" or "master of ceremonies," but because of its requirements it certainly has brought it to the full, if not finest, flowering. There are today even categories of hosts.

One, of course, is the excessively jolly, hyper-thyroid m.c. of the day-time audience participation show with his carefully prepared little ad libs. His principal requirements are an easy, ceaseless flow of patter, an ingratiating manner, a firm hand in steering the contestants through their paces and — very important — a sincere way with commercials.

The other major category is the "introducing host," whose primary function is to provide the one thread that ties a varied assortment of shows into a bundle.

Eminent practitioners of this specialty are Alfred Hitchcock, whose gagged-up backgrounds and mischievous manner lifted hostmanship into a comedy art form; Boris Karloff, whose on-camera personality is that of a tongue-in-cheek bogeyman; Powell, who prefaced his "Zane Grey Theatre" shows with thumbnail lectures on aspects of life in the Old West, and a newcomer, Richard Boone, who has been inviting the viewers to watch this summer's re-runs of "Playhouse 90" shows.

Producer of "Thriller," over which Karloff will preside again this year, turned the veteran British actor into a trans-Atlantic commuter last season. He flew from his London home to Hollywood every eight weeks.

Karloff was busy the other day making a fall batch of introductions (13, to be exact) and was busily leering at the camera while inviting the public "to a feast of fear and trembling."

"This year," said Karloff, during a break in the shooting, "I'm

Mark RICHMAN

In "Cain's Hundred," Mark Richman plays Nicholas Cain, a reformed gangland lawyer who leads a drive against organized crime by making war on the nation's top 100 criminal leaders.

to play four roles—two sympathetic doctors, one demented colonel and a morgue keeper who talks to his stiffs, all very jolly."

He treats his host's role, he

said, as a preliminary bit to set a mood of mock terror, and to re-establish that mood after it has been reduced by the middle-of-the-show commercials.

'Do It Now' Fetish Can Get Bustlers In Trouble

By HAL BOYLE

NEW YORK (AP)—One of the things wrong with this world is that there are too many signs saying "Do it now!"

Do what now?

There are some of us who would like to change the signs to read "Why do it?"

The difference between those two signs spells the difference between two great classes of mankind—the bustlers and the procrastinators.

Which are you?

The bustlers, by and large, tend to be self-important people who pride themselves on their ability to save time and get a lot of things done. They regard themselves as practical, orderly, efficient and very, very businesslike.

Bustlers keep neat clean desks and are always hurrying from chore to chore and perpetually glancing at their watches to be sure they aren't late to the next appointment.

Bustlers don't like procrastinators. Bustlers complain procrastinators are dreamy idlers who never get anything done. Bustlers say they'd get a lot more things done themselves if it weren't for being impeded by shiftless procrastinators.

Fellow procrastinators, why do we take all this guff? Why do we let it give us a guilty feeling?

Let us put the bustler under a microscope for a change. What do we see?

The bustler makes up about one-tenth of the population and causes up to nine-tenths of its troubles.

The bustler often is a man who finds action so necessary he hops on a horse and rides off in all directions at once. As the dictionary says, he moves "with fussy or noisy activity, usually with more haste than purpose."

The bustler writes the billions of letters each year that don't need

to be written. He makes the quick on-the-spot decisions that really put his firm or country on the spot.

What does the bustler do with all the time he saves by all that rush and roar? Why, he spends it rushing and roaring around trying to correct the errors he made by not taking enough time to do things right in the first place—that is if they really needed to be done at all.

It is we procrastinators who save the bustlers from destroying the earth.

It is the procrastinators, sometimes found feet on desk and sailing paper airplanes out the window, who are really practical, efficient and businesslike in their slow disorderly way.

They may put off doing a lot of things, but usually they are things that ought to be put off—sometimes forever. Isn't it better to do a right thing a day late than a wrong thing a week soon?

The motto of the bustler is, "Don't just stand there. Do something—and do it now."

The motto of the procrastinator is, "Don't just stand there. Sit down and be comfortable. Then do the unavoidable after you have avoided doing the unnecessary."
